SUDOKU

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Conceptis Sudoku increases from Monday to Sunday.

Filing an Objection

The Draft Decision Notice for the McCoy Park Terrain Development EA is subject to the objection process pursuant to 36 CFR 218.8.

Objections will only be accepted from those who have previously submitted specific written or substantive formal comments regarding the proposed project during a comment period in accordance with 36 CFR § 218.5(a). Issues raised in objections must be based on previously submitted, timely, and specific written or substantive formal comments regarding the proposed project, unless comments are based on new information that arose after the designated comment opportunities.

Objections, including attachments, must be filed via mail, email, hand-delivery, express delivery, or messenger service (Monday through Friday, 8:00 a.m. to 4:30 p.m., excluding holidays) to: Objection Review Officer, USDA Forest Service, Rocky Mountain Region, 1617 Cole Blvd. Building 17, Lakewood, CO 80401; Fax: 303-275-5134 to the attention of Objections; or Email: ro2admin-review@fs.fed.us. At a minimum, an objection must include the following: objector's name and physical mailing address; signature or other verification of authorship upon request; identification of the lead objector when multiple names are listed; name of the proposed project; name and title of Responsible Official; and name of national forest unit(s) on which the project will be implemented (36 CFR § 218.8(d)). Incorporate documents by reference only as provided for at 36 CFR 218.8(b).

Additional information on the Project-Level Pre-decisional Administrative Review Process can be found in the Draft Decision Notice and at 36 CFR 218.8.

Timeframes

Objections must be submitted within 45 calendar days following the publication of this notice in the Glenwood Springs Post Independent. The publication date in the newspaper of record is the exclusive means for calculating the time to file an objection. Those wishing to object should not rely upon dates or timeframe information provided by any other source. It is the objector's responsibility to ensure timely filing of a written objection with the reviewing officer pursuant to 36 CFR § 218.9. The regulations prohibit extending the time to file an objection.
